DECISION AND ORDER GRANTING WITHDRAWAL

On July 18, 2000, Lowery and Lowery Association ("Respondent") filed a request for expedited de novo administrative hearing of the above captioned matter. The certified record was received on July 20, 2000, at which time a Notice of Hearing and Pre-Hearing Order was issued by the undersigned scheduling a formal hearing.

On July 24, 2000, this Office received from Respondent a request to withdraw the request for de novo hearing. Specifically, the undersigned has been advised that the activities of the "module truck drivers, cotton hauling" upon which the original denial had been based has been resolved leaving no adverse determination to appeal. Accordingly,

IT IS ORDERED that Respondent's request for withdrawal is **GRANTED** and that the request for an expedited de novo hearing in this matter is **DISMISSED**.

ORDERED this 24th day of July, 2000, at Metairie, Louisiana.
